

India Quest (Aids Nutrition Programme) - Sponsorship Opportunities

India Quest provides practical and nutritional support to families who are affected by the AIDS virus from communities in the poorest parts of Andhra Pradesh, India. Christian Fellowship Church is a UK based partner of India Quest.

Many sufferers are located in rural communities where retroviral drugs are not easily accessible. A monthly donation of £12 will provide a large bag of rice, vegetables, peanuts, oil and soap. No administrative costs are deducted from the sponsorship money.

If you would like to assist with the Aids Nutrition Programme, simply complete the form below and return it to Christian Fellowship Church at the address below. You can also make a one-off donation which could help in the following ways: ... the complete nutrition costs for all 36 sufferers for one afternoon, medicines for other ailments often accelerated by the AIDS virus, transportation costs for the food or chairs for the sufferers as they meet once a month. If you are UK tax payer, by signing the Gift Aid declaration below, we can claim 25p back from the Government for every £1 you donate.
